

ISIS Was “Allegedly” Behind the London Bridge Attacks, Who Is Behind ISIS?

London's tabloids have gone into high gear with vivid descriptions of the attacks and the tragic loss of life. Seven killed and 48 wounded.

“ISIS has claimed responsibility for the depraved attack in London Bridge as chilling video shows three jihadis calmly strolling past a pub while in the midst of the van and knife rampage that killed seven and critically injured 21.” (The Sun, June 5, 2017)

ISIS has claimed responsibility, Is there a pattern?

Without exception, Al Qaeda or ISIS were allegedly behind the Paris, Brussels, Berlin, Manchester and London Bridge terror attacks, which served to spearhead a wave of Islamophobia across Western Europe, while also providing a pretext for the introduction of drastic police state measures:

“The twisted killers are seen calmly walking through Borough Market moments before they launched a stabbing attack on pubgoers while shouting “this is for Allah”, having already driven a van into crowds.” The Sun, June 5, 2017)

[The statement of Prime Minister May](#) (three days before the UK elections) points in the direction of an organized hate campaign against Muslims:

[The Manchester and London attacks] ...are bound together by the single, **evil ideology of Islamist extremism that preaches hatred, sows division, and promotes sectarianism**. It is an ideology that claims our Western values of freedom, democracy and human rights are incompatible with the religion of Islam. It is an ideology that is a perversion of Islam and a perversion of the truth.

... It will only be defeated when we turn people's minds away from this violence - and make them understand that our values - pluralistic, British values - are superior to anything offered by the preachers and supporters of hate. (emphasis added),

“Perversion of the Truth”? Lies, fabrications, omissions. What the British media in chorus fails to mention is that both ISIS and Al Qaeda are creations of US intelligence, recruited, trained and financed by the US and its allies including Saudi Arabia, Qatar, Turkey, Israel and Jordan.

The Islamic State (ISIS) was originally an Al Qaeda affiliated entity created by US

intelligence with the support of Britain's MI6, Israel's Mossad, Pakistan's Inter-Services Intelligence (ISI) and Saudi Arabia's General Intelligence Presidency (GIP), Ri'āsāt Al-Istikhbārāt Al-'Āmah (رئاسة الاستخبارات العامة).

The origins of Al Qaeda date back to the Soviet-Afghan war. The Koranic schools in Afghanistan used to train Al Qaeda recruits were financed by the CIA, using textbooks published by the University of Nebraska. That's where the “**evil ideology of Islamist extremism**” referred to by PM May originated: The “Global War on Terrorism” is a lie, “Islamic terrorism” is a product of US foreign policy which claims to be spreading “Western civilization”:

... the United States spent millions of dollars to supply Afghan schoolchildren with textbooks filled with violent images and militant Islamic teachings, part of covert attempts to spur resistance to the Soviet occupation.

The primers, which were filled with talk of **jihad and featured drawings of guns, bullets, soldiers and mines,** have served since then as the Afghan school system's core curriculum. Even the Taliban used the American-produced books, ..

Picture above is translated as follows: "Jihad - Often many different wars and conflicts arise among people, which cause material damages and loss of human life. If these wars and disputes occur among people for the sake of community, nation, territory, or even because of verbal differences, and for the sake of progress..."

This page is from a third-grade language arts textbook dating from the mujahidin period. A copy of the book was purchased new in Kabul in May 2000.

... Published in the dominant Afghan languages of Dari and Pashtun, **the textbooks were developed in the early 1980s under an AID grant to the University of Nebraska** -Omaha and its Center for Afghanistan Studies. The agency spent \$ 51 million on the university's education programs in Afghanistan from 1984 to 1994." (Washington Post, 23 March 2002)

The ISIS is a terrorist paramilitary entity created by US intelligence. It has nothing to do with the tenets of Islam. The ISIS and Al Qaeda terrorists are the foot soldiers of the Western military alliance in Syria who are fighting a secular government. While America claims to be targeting the ISIS, in reality it is protecting the ISIS.

Britain's Role in the "War on Terrorism"

There is evidence that British SAS Special Forces were dispatched to Syria in 2011 to integrate the ranks of the so-called moderate Al Qaeda rebels. Special Forces often hired through a private mercenary company on contract to NATO or the Pentagon were embedded within most paramilitary rebel formations, According to [Elite UK Forces](#) (the website of the SAS)

Reports from late November last year [2011] state that British Special forces have met up with members of the Free Syrian Army (FSA), the armed wing of the Syrian National Council. The apparent goal of this initial contact was to establish the rebel forces' strength and to pave the way for any future training operations.

More recent reports have stated that British and French Special Forces have been actively training members of the FSA, from a base in Turkey. Some reports indicate that training is also taking place in locations in Libya and Northern Lebanon. British MI6 operatives and UKSF (SAS/SBS) personnel have reportedly been training the rebels in urban warfare as well as supplying them with arms and equipment. US CIA operatives and special forces are believed to be providing communications assistance to the rebels.

British Special Forces Training Syrian Rebels?

05.01.2012

As government forces continue a brutal crackdown on popular uprisings throughout Syria, there has been growing chatter indicating that British Special Forces are in some way assisting forces aligned against the Syrian regime.

British MI6 were actively involved, collaborating with the CIA:

As the unrest and killings escalate in the troubled Arab state, **agents from MI6 and the CIA are already in Syria assessing the situation**, a security official has revealed.

Special forces are also talking to Syrian dissident soldiers [Al Qaeda].

They want to know about weapons and communications kit rebel forces will need if the Government decides to help.

"MI6 and the CIA are in Syria to infiltrate[rebel ranks] and get at the truth," said the well-placed source.

"We have SAS and SBS not far away who want to know what is happening and are finding out **what kit dissident soldiers [Al Qaeda] need.**" [Syria will be bloodiest yet](#), Daily Star, January 1, 2012 (emphasis added)

[The air campaign launched by Obama in 2014](#), which had the full support of the United Kingdom, was intent upon destroying Syria and Iraq rather than “going after the terrorists”. There is ample evidence that the Islamic State is protected by the US-led coalition.

The inflow and delivery of weapons and supplies are coordinated by the Pentagon in liaison with America’s allies.

[US military aid is channelled to Al Qaeda as well as to ISIS-Daesh.](#)

[The US has also used the illegal weapons market](#) to channel vast amounts of weapons and military hardware to the Syrian “rebels”.

With regard to the Manchester and London terror attacks, this relationship between the ISIS and its Western State sponsors (including the intelligence services of the British government) cannot be swept aside.

The blowback thesis is a red herring. The debate on the so-called causes of terrorism has focussed on **“Blowback or Extremism?”** Neither.

Who are behind the terrorists? The role of the State Sponsors of Terrorism (including Her Majesty’s Government) is something which has been carefully overlooked.

The State sponsors of ISIS-Al Qaeda are now heralded as the victims of ISIS-Al Qaeda, an absurd proposition. Those who are funded and supported by Western intelligence services are now said to be fighting back.

The ISIS nonetheless has a certain degree of independence in relation to its State sponsors. That is the nature of what is called an “intelligence asset”. But an “intelligence asset” is always on the radar of the intelligence services.

The British government through its intelligence services is known to have covertly supported several Al Qaeda affiliated entities including the Libya Islamic Fighting Group (LIFG) which was linked to the Manchester bombings.

The “Liberation” of Tripoli was carried out by “former” members of the Libya Islamic Fighting Group (LIFG), which is affiliated to Al Qaeda. These “former” Al Qaeda affiliated brigades constituted the backbone of the “pro-democracy” rebellion, which was supported by NATO.

Within the ranks of the LIFG rebels, US Navy SEALs, British SAS and French legionnaires disguised in civilian rebel garb, were reported to be behind major operations directed against key government buildings including Gadhafi’s Bab al-Aziziya compound in central Tripoli.

“Highly-trained [British Special Forces] units, known as ‘Smash’ teams for their prowess and destructive ability, have carried out secret reconnaissance missions to provide up-to-date information on the Libyan armed forces.” ([SAS ‘Smash’ squads on the ground in Libya to mark targets for coalition jets](#), Daily Mirror, March 21, 2011)

And in the wake of NATO’s war Libya, these pro-democracy LIFG Al Qaeda affiliates have

joined the ranks of the ISIS.

Washington's Regime Change for Syria: Install the Islamic State

It is worth noting that the release of the Hillary Clinton email archive as well as leaked Pentagon documents confirm that the US and its allies are supportive of ISIS.

Moreover, a 7-page Defense Intelligence Agency (DIA) [document](#) dated August of 2012, points to US complicity in supporting the creation of an Islamic State.(Excerpt below)

B. THE SALAFIST, THE MUSLIM BROTHERHOOD, AND AQI ARE THE MAJOR FORCES DRIVING THE INSURGENCY IN SYRIA.

C. THE WEST, GULF COUNTRIES, AND TURKEY SUPPORT THE OPPOSITION; WHILE RUSSIA, CHINA, AND IRAN SUPPORT THE REGIME.

(b)(1) Sec. 1. 4 (c), (b)(1) Sec. 1. 4 (d)

E. THE REGIME'S PRIORITY IS TO CONCENTRATE ITS PRESENCE IN AREAS ALONG THE COAST (TARTUS, AND LATAKIA); HOWEVER, IT HAS NOT ABANDONED HOMS BECAUSE IT CONTROLS THE MAJOR TRANSPORTATION ROUTES IN SYRIA. THE REGIME DECREASED ITS CONCENTRATION IN AREAS ADJACENT TO THE IRAQI BORDERS (AL HASAKA AND DER ZOR).

3. (C) AL QAEDA - IRAQ (AQI):

A. AQI IS FAMILIAR WITH SYRIA. AQI TRAINED IN SYRIA AND THEN INFILTRATED INTO IRAQ.

B. AQI SUPPORTED THE SYRIAN OPPOSITION FROM THE BEGINNING, BOTH IDEOLOGICALLY AND THROUGH THE MEDIA. AQI DECLARED ITS OPPOSITION OF ASSAD'S GOVERNMENT BECAUSE IT CONSIDERED IT A SECTARIAN REGIME TARGETING SUNNIS.

Concluding Remarks

Despite the evidence, it is very difficult for people to accept the fact that their own government is supporting terrorism.

Most people will dispel this as an impossibility. But it is the forbidden truth.

The established consensus is that the role of a government is to protect its people. That myth has to be sustained.

The media's role is to ensure that the truth does not trickle down to the broader public.

If that were to occur, the legitimacy of Western heads of State and heads of government would collapse like a house of cards.

The governments of the countries whose citizens are the victims of terror attacks are supporting ISIS-Daesh through their intelligence services.
