As you will see from the list below, it seems the US has invited practically everyone in the world to this fandango — from Poland to Sweden to Slovenia to Yemen to the World Bank and the IMF... except the PLO — which is the only body that has the authority and international standing to negotiate on behalf of the Palestinian people! In addition, the elected government of Hamas is also not invited, of course.

My Dear Palestinian Friends:

As you can see from the US Government's list of Invitees [below] to the Annapolis Conference, it has only invited the Palestinian Authority, not the PLO. But only the PLO has the authority under international law to negotiate on behalf of the Palestinian People and the State of Palestine. That is why the Chairman of the PLO Yasser Arafat signed the Oslo Agreement in the name of the PLO. The Palestinian Authority has no authorization under international law to negotiate on behalf of the Palestinian People, let alone the State of Palestine, whose Provisional Government is the PLO Executive Committee. Indeed, an entire series of UN General Assembly Resolutions have made it clear that only the PLO is the sole and legitimate representative of the Palestinian People. Hence this delegation of the Palestinian Authority to the Annapolis Conference has no legal authority under international law to conclude anything on behalf of the Palestinian People, let alone the State of Palestine

I would appreciate it if you would be so kind as to bring this matter to the attention of the Palestinian People around the world.

Thank you.
