How to free Assange and Manning?

THE SLOW EXECUTION OF THE VOICES OF **FREEDOM!**

Julian Assange, like any other true Freedom Fighter in history (even incommunicado and locked up in a solitary confinement) has exposed more criminal politicians than the pretentious coward liberals. Unbelievable but true, the incapable men and women of the “Amnesty International” have refused to recognize that **Assange** and **Manning** are in fact Prisoners of Conscience.

Today, we the “free” people around the world are the voice of **Assange** and **Manning**

outside of the prison walls. We as artists, intellectuals, working people and professionals are able to free **Assange** and **Manning** by generating powerful images, exciting concerts, informative articles, interviews, meetings and demonstrations. Let's honor the experience of our ancestors that the next single act could be the last

straw that would break the back of the fragile enemies of justice system in U.K. and U.S!

Be the Voice of Assange and Manning in your community by any means necessary.
