The Speaker of the Greek parliament, Zoé Konstantopoulou, has announced during a press conference on 17 March 2015 the creation of a commission to audit the Greek debt. The scientific coordination of the commission will be led by Eric Toussaint, Spokesman for CADTM and a member of the Ecuadorian debt audit Commission that sat in 2007-2008. "The purpose is to identify any debts taken on by the Greek government that may have an illegal, illegitimate or odious nature," the Greek people "has the right to demand that any part of the Greek debt that may eventually be shown to be illegal - be erased," declared the Greek Parliament's Speaker.
