*President Assad is not now and never was a brutal dictator who gasses his own people. In fact, in a classic case of “reverse projection”, NATO terrorists are the brutal dictators who gas Assad’s own people.*

Imperialists and their agencies embed simplistic war propaganda memes into the collective consciousness of the masses through constant repetition of fake evidence. The fake evidence is fabricated by fake “NGO’s”.

In fact, Syrians have always been strongly supportive of President Assad. In a classic case of “admission against interest”, even a NATO survey demonstrated this. According to [Voltaire.net](#)

The study shows that 70% of Syrians support President Bashar al-Assad, 20% adopt a neutral position and 10% support the “rebels.”

Empire weaponizes “NGO’s” to sell fake “humanitarian wars”. Earlier, for example, we explored the case of the Western state-funded White Helmets, which serve to feed war propaganda into the Western news chains. But there is a whole spectrum of fake NGO’s — all interlinked. (For example, the White Helmets are sources of war propaganda for Amnesty International and Syrian Observatory for Human Rights)

**Graphic 1: Key sources of 'information' on Syria are mostly funded by the same western governments that provide weapons to the anti-government armed groups**

Key 'sources' used by Amnesty International and the US-co-chaired UN Human Rights Commission on Syria	
	<b>Syrian Observatory for Human Rights (SOHR, Rami Abdul Rahman).</b> Funding: "small subsidies from the European Union and one European country that he declines to identify" (NYT). No research training. Britain based.
	<b>Syrian Network for Human Rights (SNHR, Fadel Abdul Ghani).</b> Funding: "unconditional grants and donations from individuals and institutions". No research training. Britain based.
	<b>Bellngcat (Elliot Higgins).</b> Funding: Soros OSF and NED (US Congress). No research training. Britain based.
	<b>Human Rights Data Analysis Group (HRDAG).</b> Funding: Soros OSF and NED (US Congress). US based.

**Graphic 5: What conflict of interest? Amnesty, like the 'White Helmets' and the 'Syrian Observatory' (SOHR) all fly the red starred flag of the armed jihadists**

By [Prof. Tim Anderson](#)

**Graphic 7: 'The Syria Campaign' poll demonstrates the opposite of its headline**

The Syrian Campaign proved the opposite of its press release: even with a heavily biased sample, more refugees in Germany say they were fleeing armed groups than the Syrian Army

The actual poll in Germany:

- Does not mention Assad,
- Responsible for fighting? Syrian Army 70%, anti-govt. groups 74%,
- Who do you fear? Syrian Army 77%, anti-govt. groups 82%,
- Sample: 68% young men, 74% from jihadist-held areas.

Media repeated the misleading press release headline, ignoring the poll

Survey leaves no doubt: Syrians are fleeing Assad

Poll: 70% of syrian refugees are fleeing from Assad, 30% are fleeing from ISIS

By [Prof. Tim Anderson](#)

Imperialists and their agencies suppress real evidence and amplify fake news stories. War propaganda is a vital component of hybrid warfare, and it is, therefore criminal.
