The lies that the Obama regime and Western prostitute media are hurling at President Putin are even more blatantly false than the lies Washington used against Saddam Hussein, Gaddafi, Assad, the Taliban, and Iran, and the lies are far more reckless.

On a number of occasions recently I have made the point that the psychopaths in control of Washington are driving the West to war with Russia. The lies that the Obama regime and Western prostitute media are hurling at President Putin are even more blatantly false than the lies Washington used against Saddam Hussein, Gaddafi, Assad, the Taliban, and Iran, and the lies are far more reckless.

**Russia has a nuclear arsenal as large as Washington's**, and Russia is very much aware that for 13 years Washington's lies and demonizations of countries are the preludes to launching military attacks on the countries.

It is completely obvious that no one in Washington has enough sense to be in government. In Washington power is in demonic and idiotic hands. Washington consists of the largest collection of criminal fools in human history.

You have read what I have had to say. Now you can read it from Chris Martenson. Tyler Durden has posted Martenson's analysis on [Zero Hedge](#) or you can read it on [Peak Prosperity](#).

The threat to life on earth has never been as great as it is at this time. The crazed fools in Washington and the reckless scum that comprise the Western media are brewing Armageddon.
