A group of international lawyers, top level experts, and renowned scientists present the evidence before a Grand Jury that the COVID-19 pandemic is a criminal operation, with the purpose of installing a world dictatorship.

Among the expert witnesses are World Health Organization advisors, a United Nations official, members of British Intelligence Services, former officers from the U.S. and U.K. military, an expert from the Center for Disease Control, a former vice-president from Pfizer, a Nobel prize winner for medicine, and many other high-level witnesses.

TRANSCRIPT SUMMARY

The purpose of this Grand Jury Summary is to make the most important information revealed by the expert witnesses accessible to as many people as possible. We have focused on those facts that reveal what is really going on in our world, to help the public understand the graveness of the current world crisis. Those who want to get the full spectrum of details, please watch the full video sessions here: StopWorldControl.com/jury

This document is part one of five Grand Jury Summaries. It contains critical information from Day 2, titled The General Historic and Geopolitical Backdrop to All of This. This may well be

the most important session of the entire Grand Jury proceeding, as it exposes how a masterplan has been created to achieve total world domination under the guise of health emergencies. The Opening Statements are not included, as they are not too lengthy and can easily be viewed on our website: StopWorldControl.com/jury

DEFENDING HUMANITY

We encourage every reader to distribute this Grand Jury Summary within their community. The criminal power structures rely entirely on the ignorance of the people. Once the public becomes informed, they shift from unquestioning compliance to intelligent resistance. Therefore, the single most important action we can all take is to inform others. We must especially educate all those who have a position of influence in our communities. Send this Grand Jury Summary, either in digital or printed form, to school directors and teachers, hospital directors and medical staff, law enforcement officers, lawyers and judges, pastors, mayors and commissioners, local media editors and journalists.

There are many cheap online printing services where you can upload this PDF and have it printed in as many copies as you like. Just Google “cheap book printing” and you can start comparing. If many of us would invest some time and resources to print hundreds or even thousands of this document, and distribute it in our communities and country, we could have a tremendous impact.

This information really needs to reach all those in a position of public service. These members of our societies are unknowingly the minions of the criminals, as they blindly follow orders that directly lead to the death of millions of people, and the permanent damaging of hundreds of millions of lives. Once all our public servants people understand what is really going on, they will stop being the extensions of the criminal hands, lest they become consciously complicit.

If we don't stand up and act now, we may forever lose the ability to do so, as the World Economic Forum is preparing to install global governance over the flow of information and the internet, and will attempt to forever shut the mouth of all who value the freedom of humanity. If there ever was a time for all to rise and act, it is now.
