## **UN Security Council Resolution 2334 passed by a Vote of 14-0, including the UK, France & China in 2016**

1. Reaffirms that the establishment by Israel of settlements in the Palestinian territory occupied since 1967, including East Jerusalem, has no legal validity and constitutes a flagrant violation under international law and a major obstacle to the achievement of the two-State solution and a just, lasting and comprehensive peace;
2. Reiterates its demand that Israel immediately and completely cease all settlement activities in the occupied Palestinian territory, including East Jerusalem, and that it fully respect all of its legal obligations in this regard;
3. Underlines that it will not recognize any changes to the 4 June 1967 lines, including with regard to Jerusalem, other than those agreed by the parties through negotiations;
4. Stresses that the cessation of all Israeli settlement activities is essential for salvaging the two-State solution, and calls for affirmative steps to be taken immediately to reverse the negative trends on the ground that are imperilling the two-State solution;
5. Calls upon all States, bearing in mind paragraph 1 of this resolution, to distinguish, in their relevant dealings, between the territory of the State of Israel and the territories occupied since 1967;
6. Calls for immediate steps to prevent all acts of violence against civilians, including acts of terror, as well as all acts of provocation and destruction, calls for accountability in this

regard, and calls for compliance with obligations under international law for the strengthening of ongoing efforts to combat terrorism, including through existing security coordination, and to clearly condemn all acts of terrorism;

7. Calls upon both parties to act on the basis of international law, including international humanitarian law, and their previous agreements and obligations, to observe calm and restraint, and to refrain from provocative actions, incitement and inflammatory rhetoric, with the aim, inter alia, of de-escalating the situation on the ground, rebuilding trust and confidence, demonstrating through policies and actions a genuine commitment to the two-State solution, and creating the conditions necessary for promoting peace.
