The “White Helmets” organization acting in Syria is hailed as heroes in some countries, and the West provides millions of dollars to these so-called saviors. However, residents of Aleppo (Syria) claim that “White Helmets” care only about money and saving rebels, but not civilians. People from Fua and Kafraya confirm allegiance of “White Helmets” to world recognized terrorist organizations like Jabhat an-Nusra or Al-Qaeda and testimony “White Helmets” participation in public executions. The videos that this organization produces are astounding Internet-users all over the world.

The briefing, according to the speakers, is designed to give “a clear view on what is the real agenda of these Hollywood so called “first responders” who received an Oscar for their performance”.
