Author's Note

It is not through "negotiations" with Prime Minister Netanyahu and President Biden, both of whom are responsible for "[crimes punishable under International Law](#)" that we will be able to put an end to the genocidal attack against the People of Palestine.

ليس من خلال "المفاوضات" مع رئيس الوزراء نتنياهو والرئيس بايدن، وكلاهما مسؤول عن "الجرائم التي يعاقب عليها القانون الدولي" سنكون قادرين على وضع حد لهجوم الإبادة الجماعية ضد شعب فلسطين.

المطلوب هو حملة تمكن المقاتلين الإسرائيليين والأمريكيين وحلف شمال الأطلسي من عصيان الأوامر غير "القانونية" و"التخلي عن ساحة المعركة".

[Principle IV of the Nuremberg Charter](#) defines the responsibility of combatants to refuse the orders of Government or a superior ... "provided a moral choice [is] possible".

يحدد المبدأ الرابع من ميثاق نورمبرغ مسؤولية المقاتلين عن رفض أوامر الحكومة أو الرئيس ... "شريطة أن يكون الخيار الأخلاقي ممكناً".

Let us have tears to our eyes in solidarity with the People of Palestine, in building a mass movement worldwide, which confronts the ongoing mass slaughter before our very eyes.

Let us recall the Christmas Truce of 1914, 109 years ago this Christmas Eve:

“Something happened in the early months of the “War to End All Wars” that put a tiny little blip of hope in the historical timeline of the organized mass slaughter that is war. The event was regarded by the professional military officer class to be so profound and so important (and so disturbing) that strategies were immediately put in place that would ensure that such an event could never happen again.” ([Dr. Gary G. Kohls](#))

“The ordinary soldiers developed more and more antipathy and even hatred toward their own officers. Simultaneously, they started to empathize and even sympathize for

the men facing them on the far side of the no man's land.

The authorities condemned and prohibited all forms of fraternization and "live-and-let-live" in general. The officers sometimes put snipers to work when they suspected that fraternizations "threatened" to take place.

The men learned in many ways that the official enemy was in fact not the real enemy, that the soldiers on the other side were human beings just like themselves." (Dr. Jacques Pauwels, Excerpt from his book)

The Power of Peace in the Time of War (1914): Let It Happen Again (2023)

Today, we are "fraternizing" and acting in solidarity worldwide with the People of Palestine against the hegemonic agenda of the U.S. and its allies which are waging an all-out war against humanity.

اليوم، نحن "نتأخي" ونعمل تضامنا في جميع أنحاء العالم مع شعب فلسطين ضد أجندة الهيمنة للولايات المتحدة وحلفائها الذين يشنون حربا شاملة ضد الإنسانية.

Both Prime Minister Bibi Netanyahu as well as President Joe Biden are responsible for "war crimes", "crimes against peace" and "crimes against humanity" as defined under [Principle VI of the Nuremberg Charter](#):

The crimes hereinafter set out are punishable as crimes under international law:

(a) Crimes against peace:

- (i) Planning, preparation, initiation or waging of a war of aggression or a war in violation of international treaties, agreements or assurances;
- (ii) Participation in a common plan or conspiracy for the accomplishment of any of the acts mentioned under (i).

(b) War crimes:

Violations of the laws or customs of war which include, but are not limited to, murder, ill-treatment or deportation to slave-labour or for any other purpose of civilian population of or in occupied territory, murder or ill-treatment of prisoners of war, of persons on the seas, killing of hostages, plunder of public or private property, wanton destruction of cities, towns, or villages, or devastation not justified by military necessity.

(c) Crimes against humanity:

Murder, extermination, enslavement, deportation and other inhuman acts done against any civilian population, or persecutions on political, racial or religious grounds, when such acts are

Disobey Unlawful Orders, Abandon the Battlefield

According to [Principle IV of the Nuremberg Charter](#):

“The fact that a person [e.g. Israeli, U.S. soldiers, pilots] acted pursuant to order of his [her] Government or of a superior does not relieve him [her] from responsibility under international law, provided a moral choice was in fact possible to him [her].”

Let us make that “moral choice” possible, to enlisted Israeli, American, and NATO service men and women.

Let us call upon Israeli and American soldiers and pilots “to abandon the battlefield”, as an act of refusal to participate in a criminal undertaking **against the People of Gaza**.

Let the World War I “Power of Peace in the Time of War” “Happen again”.

Confront corrupt politicians.

The Tears in Your Eyes

May the tears of humanity in your eyes in December 2023 be conducive to a worldwide movement to abolish and “criminalize all wars.”

Let us break the insidious narrative of a handful of Wall Street billionaires who finance America’s “humanitarian wars”, unseat the West’s “Classe politique” and establish the foundations of “real democracy by the people for the people.”
