Baku. Lachin Sultanova–APA. “Russia must adequately react to the agreement signed between Washington and Warsaw on US missile defense shield in Poland’s territory”, said Vyacheslav Popov, member of Russian Council of Federation and former commander of Russian North Fleet. He said it made military infrastructure of other country close to the Russia’s borders and called on Moscow to react adequately. Popov considers that General Staff will re-group potential targets of armed forces in the next few days. “There is no alternative, we should enhance our security. Strength of military potential around Russia is a direct threat for us”.
