Due to incredibly sloppy reporting by the mainstream media – constantly repeating the phrase “Russia hacked the election” – many Americans believed that Russia literally changed votes on election day.

A YouGov poll from last month found that [half](#) of all Democrats believe that Russia directly tampered with vote tallies:

But today, the head of all U.S. intelligence – James Clapper – [told](#) Congress (specifically the Armed Services Committee):

They did not change any vote tallies or anything of that sort.

So will the media apologize for scaring the stuffing out of the American people?
