Global Research, February 18, 2022

At the time of writing, the Trudeau government is in the process of carrying out a major police operation directed against the Freedom Convoy in Ottawa in the midst of a snow storm.

The House of Commons Parliamentary Protective Service's (PPS) announced the closure of parliamentary activities on Friday morning.

The decision to take action against the Freedom Convoy was implemented prior to the vote on the National Emergency which was scheduled for Monday.

The leaders of the movement Tamara Lich and Chris Barber have been arrested and are, according to reports, in police custody.

Who are the Criminals

All the Covid Mandates adopted since March 2020 are illegal, imposed Worldwide, based on political lies and fake science.

Extensive crimes against humanity have been committed.

Moreover, contrary to the US, EU and UK, Health Canada does not inform Canadians pertaining to the Covid-19 vaccine related deaths and adverse events.

Canadians from coast to coast and people Worldwide support the Freedom Convoy.

Trudeau does not have the support of the provincial governments.

The latest developments suggest that the COVID-19 narrative is crumbling in numerous countries.

The Trudeau government does not have a leg to stand on.

"Indefinite Quarantine for Justin Trudeau". It's a big lie.

All COVID mandates must be immediately suspended.

The evidence is overwhelming.

From the very outset in January 2020, people were led to believe and accept the existence of a rapidly progressing and dangerous epidemic. That's a LIE.

Very Summarized

1. *The RT-PCR test is meaningless (now confirmed by the WHO and the CDC).*

The entire data base of so-called "COVID confirmed cases" is totally invalid.

These are the estimates which have been used to justify ALL the COVID-19 mandates since March 2020. The figures on COVID-19 related mortality are also invalid .

These are the fake "estimates" used to justify the violation of fundamental human rights.

2. *SARS-CoV-2 is "similar to seasonal influenza" according to the CDC and the WHO. It is not a killer virus.*

3. *The economic and social impacts of the lockdowns are devastating: bankruptcies, unemployment, poverty and despair. The COVID-19 mandates are destroying people's lives.*

4. *The COVID-19 mRNA vaccines have resulted in a worldwide upward trend in mortality and morbidity which is amply documented.*

A confidential report by Pfizer made public under Freedom of Information (FOI) confirms that the COVID-19 jab is a "killer vaccine".

5. *Recorded and registered for EU/UK/USA - 61,654 COVID-19 injection-related deaths and 9,755,085 injuries reported as at 28 January 2022 (only a small percentage of deaths and injuries are reported and recorded).*

6. *Pfizer has a criminal record with the US Department of Justice.*
