

Truly Independent News and Analysis, a Dying Breed

By [The Global Research Team](#)

Global Research, June 19, 2019

Dear Readers,

In spite of online censorship efforts directed against the independent media, we are happy to say that readership on globalresearch.ca has recently increased. We wish to thank all of you who share our articles far and wide, helping us extend our reach and bypassing unfavourable algorithms.

We cover a diversity of key issues you would be hard pressed to find on any other single online news source. We receive daily submissions from a steadily growing list of expert authors, academics, and analysts dotted all over the globe.

This is truly independent news and analysis, a dying breed. Our costs have increased and our revenue has gone down over the past year. We are running a monthly deficit. Help us keep the independent voice alive by [becoming a member](#) or [making a donation](#) today!
