With just a day passing since General Flynn’s resignation as National Security Advisor, Trump, in a press conference with Israeli Prime Minister Benjamin Netanyahu, expressed some remorse for how things played out with Flynn saying he was “treated very, very unfairly by the ‘fake’ media” and the intelligence community that continues to commit “criminal acts” in leaking intelligence reports.

General Flynn is a wonderful man. I think he’s been treated very, very unfairly by the ‘fake’ media.

Papers are being leaked, things are being leaked. It’s a criminal action, criminal act. People are trying to cover up for a terrible loss that the Democrats had under Hillary Clinton.

I think it’s very unfair what’s happened with General Flynn and the documents and papers that were illegally leaked.
