Below is the text of president Trump's somewhat crude and idiotic letter to Chairman Kim Jong-un dated May 24, 2018. (It also has some grammatical errors.)

In the word's of Senator Ed Markey at the Mike Pompeo Senate Foreign Relations Committee confirmation hearings:

"The Libya model, as Kim Jong Un has been interpreting it, is that the leader of the country surrenders their nuclear capability only to then be overthrown and killed".

That is the unspoken agenda of US foreign policy. And that is precisely what Trump's National Security Advisor John Bolton had in mind in relation to North Korea.

Moreover, last October, (former) CIA chief Mike Pompeo (now Secretary of State) intimated the issue of CIA political assassinations with regard to Kim Jong-un.

In the days following the sending of this letter, Trump rectified his position with regard to the Singapore Summit.

At the time of writing, it is still uncertain as to whether the summit will take place.

THE WHITE HOUSE

WASHINGTON

May 24, 2018

His Excellency
Kim Jong Un
Chairman of the State Affairs Commission
of the Democratic People's Republic of Korea
Pyongyang

Dear Mr. Chairman:

We greatly appreciate your time, patience, and effort with respect to our recent negotiations and discussions relative to a summit long sought by both parties, which was scheduled to take place on June 12 in Singapore. We were informed that the meeting was requested by North Korea, but that to us is totally irrelevant. I was very much looking forward to being there with you. Sadly, based on the tremendous anger and open hostility displayed in your most recent statement, I feel it is inappropriate, at this time, to have this long-planned meeting. Therefore, please let this letter serve to represent that the Singapore summit, for the good of both parties, but to the detriment of the world, will not take place. You talk about your nuclear capabilities, but ours are so massive and powerful that I pray to God they will never have to be used.

I felt a wonderful dialogue was building up between you and me, and ultimately, it is only that dialogue that matters. Some day, I look very much forward to meeting you. In the meantime, I want to thank you for the release of the hostages who are now home with their families. That was a beautiful gesture and was very much appreciated.

If you change your mind having to do with this most important summit, please do not hesitate to call me or write. The world, and North Korea in particular, has lost a great opportunity for lasting peace and great prosperity and wealth. This missed opportunity is a truly sad moment in history.

Sincerely yours,

Donald J. Trump
President of the United States of America
