Zelensky has just signed into law the first steps of Schwab's **Great Reset**. He announced he is introducing a **Social Credit Application** combining **Universal Basic Income** (UBI), a **Digital Identity** & a **Vaccine Passport** all within their Diia app. He also says that because so much money is coming into Ukraine as he has become an international celebrity, he has legalized cryptocurrencies in Ukraine. He will allow foreign and Ukrainian cryptocurrencies exchanges to operate legally, according to the country's Ministry of Digital Transformation.
