[“The Ministry of Justice Acknowledges UNA-UNSO Collaborated with Nazis,”](#) and reported that,

“Ukraine’s Ministry of Justice has officially recognized that the members of the Ukrainian nationalist organization UNA-UNSO fought on the side of Nazi Germany during the Great Patriotic War.” It went on to note that, “On May 22 of last year, the State Registration Service renamed the party of UNA-UNSO as the Right Sector Party, which is led by Dmitriy Yarosh.”

[Yarosh](#) was appointed by the [U.S.-organized](#) Ukrainian [coup](#) in [February 2014](#) to serve as the active head of the Security Bureau of Ukraine, [working directly under the newly appointed Chief of State Security, Andrei Parubiy](#), who had co-founded Ukraine’s other nazi party, the Social Nationalist Party of Ukraine. The SNPU had already changed its name in 2004 to “Freedom” or “Svoboda,” on the advice of the U.S. CIA, because a name patterned after the National Socialist Party of Germany wouldn’t look good in the U.S. But inside Ukraine, Yarosh’s people were [bold about their anti-Russian nazism](#), and even proud to be [teaching it in the new regime’s public schools](#).

Parubiy had been the [“Commandant of Maidan,”](#) who organized the Maidan demonstrations against Ukraine’s President Viktor Yanukovich, [with the assistance of the U.S. State Department and CIA](#). The U.S. Embassy was already actively preparing this coup by [no later than early 2013](#).

Whereas Yarosh provided the forces that brought down the Yanukovich government, Parubiy, as the person who had organized the Maidan demonstrations, [set things up](#) so that Yarosh’s snipers would be able to operate in such a way that Yanukovich would be blamed for the bloodshed — such as by obtaining the Security Bureau of Ukraine uniforms for Yarosh’s snipers to wear, and by clearing the buildings that they needed to be firing from.

At the end of the coup, on 25 February 2014, Yarosh met in a Kiev restaurant with the other founder of the SNPU (“Svoboda”) party, Oleg Tyagnibok, in order to discuss [“Our goals are the same. We both stand for Ukraine without Yids and Katsaps \(Russians derogatory\). You’ll help me, I’ll help you.”](#) Etc. Ironically, all of Ukraine’s nazis work under far-right Jews, such as Victoria Nuland, of the U.S. State Department. All of them are focused on destroying Russians — it’s the cause that unites them — and receiving their appointments from Jews makes them internationally acceptable as being not ‘really’ nazis (since the West accepts hatred of Russians, which are Obama’s targets).

Already, Obama’s manager for the coup, Victoria Nuland, had, on February 4th, told the U.S. Ambassador, “I think Yats is the guy who’s got the economic experience, the governing experience. He’s the... [what he needs is Klitsch and Tyahnybok on the outside](#). He needs to be talking to them four times a week, you know.” That appointment of Arseniy Yatsenyuk as the new Prime Minister dashed Tyagnibok’s hope of receiving an official appointment. As for Yarosh, [here was his response](#) when Tyagnibok suggested that Yarosh might do better in politics than he himself, because Tyagnibok was already publicly on record as being anti-Semitic, but Yarosh was not (both men knew that wanting to kill all Russians was okay in the USA but that wanting to kill all Jews was not; and whereas both men were publicly on record for wanting to kill all Russians, Yarosh had never spoken publicly about ‘Yids’):

“Go into politics. You have a lot of support.

D.Yarosh: Politics? Why? So I can wear a beautiful jacket? I already have the power. Gone are the times when we indulged slingshotting. Now I have so many weapons that it will be enough to break all kinds of ‘internal occupants’. If my guys have the SBU, I will bring order to the ‘katsapschine’ (East Ukraine derogatory [for the region where ethnic Russians predominate]) and in the Crimea. Katsaps will flee Sevastopol voluntarily. I’ll cause the earth to burn under their feet.”

So: Yarosh ended up [commanding the paramilitaries](#) for such operations as the [massacre of regime-opponents inside the Odessa Trade Unions Building on 2 May 2014](#), and the subsequent [ethnic cleansing operation in Ukraine’s former Donbass region](#), whose voters had voted [over 90% for Yanukovych](#). That ethnic cleansing operation was called by the regime the [“Anti Terrorist Operation”](#) or “ATO.”

Dmitri Yaroch, leader of Ukraine’s Right Sector

On 20 June 2015, Ukraine’s President Petro Poroshenko petitioned the Constitutional Court of Ukraine [to declare the overthrow of Yanukovych to have been a coup](#), because he was now afraid that Yarosh would do the same to him that he had earlier done to Yanukovych — and which Yarosh has [repeatedly threatened](#) to do to him. However, the U.S. is not

supporting another Ukrainian coup. The U.S. does, however, [continue to give encouragement to Ukraine's nazis, in other ways](#), so as not to antagonize them.

The purpose of President Obama in Ukraine is to [weaken Russia](#). Ukraine's nazis are determined to destroy Russia ([which has always been their chief objective](#)), and Obama needs their continued support in order for his Ukrainian plan to succeed. The [economic sanctions against Russia](#) are an important part of that plan.
