

## **ULTIMA HORA: La vida de los periodistas independientes en Trípoli está en situación muy crítica**

By [Prof Michel Chossudovsky](#)

Global Research, August 27, 2011

27 August 2011

Los periodistas independientes cogidos en trampa en el hotel Rixos fueron evacuados por la Cruz Roja el miércoles 24 de agosto.

Luego, les condujeron al hotel Corinthia, situado en territorio rebelde.

Desde que llegaron, entraron rebeldes en los locales del hotel bajo diferentes pretextos.

El barco del 25 de agosto previsto su llegada a las 6 horas EDT para Malta, con la colaboración de la Cruz Roja, fue atrasado. Los motivos del atraso no son logísticos.

El caos sigue prevaleciendo. Hay combates intensos entre “los rebeldes” y las “fuerzas leales”. Recibimos un informe que asienta que terroristas armados destruyeron la embajada venezolana.

Las amenazas de muerte hechas al periodista independiente del Centro de Investigación sobre Mundialización Mahdi Darius Nazemboaya, prevalecen.

Es una batalla mediática. Es una confrontación entre los medios dominantes portavoces de la OTAN, y los periodistas que dicen la verdad.

Los periodistas independientes están apuntados por decir la verdad. La cobertura mediática en Libia se enfoca sobre Gadafi. No se dijo nada en lo que concierne a la devastación y a las muertes de civiles causadas por la OTAN, y tampoco se dijo nada a propósito de los bombardeos intensivos en Trípoli.

Pedimos a nuestros lectores que difunden el mensaje a viva voz. La vida de los que dicen la verdad está amenazada.
