By [Global Research News](#)

Global Research, June 20, 2014

The following GR articles provide a detailed assessment of recent developments in Iraq which we bring to the attention of readers

We also refer you to Global Research's IRAQ REPORT below, which contains an extensive archive of more than 700 articles, including:

- historical analysis, review of US foreign policy, analysis of US military documents, reports on media disinformation pertaining to media disinformation and war propaganda;*
- empirical analysis of the devastating social, economic and environmental impacts of the US led invasion and occupation;*
- evidence of extensive crimes against humanity.*

This dossier includes Iraq articles published by GR in the course of the last ten years (organized in reverse chronological order)

We invite our readers to post on facebook and forward these articles.
