United National Antiwar Coalition National Conference

March 23-25, 2012 at the Stamford CT Hilton (one stop from Harlem/125th St. on Metro North commuter line)

Say No to the NATO/G8 Wars & Poverty Agenda

A Conference to Challenge the Wars of the 1% Against the 99% at Home and Abroad

The U.S.-led North Atlantic Treaty Organization (NATO) military alliance will meet in Chicago, Sunday May 20 and Monday May 21, to plan their financial and military strategies for the coming period. These NATO and G8 elites, who serve the 1% at home and abroad, impose austerity—often by the use of drones, armies, and the police—on the 99% to expand their profits.

Join activists from the antiwar, occupy, environmental, immigrant rights, labor, and other movements at a conference from March 23-25, 2012 to learn more, to plan a major “No to NATO” demonstration in Chicago, and to democratically develop a program of action for the months to follow.

Special guest speakers include:

-Xiomara de Zelaya is currently a presidential candidate in Honduras and the partner of Manuel de Zelaya, the former president displaced by a U.S.-backed coup in 2009.
