This is an absolute stunner of a video, from the House Oversight Committee.

"I have effects from the vaccine...it was the 2nd shot that I now developed asthma that has never gone away...I have tremors in my left hand....I have occasional heart pain that no doctor can explain." - **Rep. Nancy Mace.**

"We received legal demands to remove content from the platform from the US government and **governments all around the world**" - **Vijaya Gadde, Head of legal, policy and trust at Twitter.**

I am willing to bet the Trudeau Liberal government has its hands dirty in the silencing of Canadian doctors on Twitter and other social media platforms.

I don't have my Twitter account back yet, so maybe there is a Trudeau loyalist still hiding on Twitter staff, keeping Canadian physician voices silent.

Meanwhile, censorship in Canada is ramping up with the soon-to-be passed **Bill C-11 which will effectively kill free speech for 38 million Canadians.**

There's a great article on Bill C-11 by a retired Manitoba Judge, Brian Giesbrecht ([click here](#)).

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects

humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument."
