*Eric Draitser of [StopImperialism.org](#) appears on CPR Sunday with security analyst Mark Sleboda [pictured left], and broadcaster **Don DeBar** to discuss the latest global developments. The conversation opens with a short discussion of the US presidential race and the campaigns of Hillary Clinton, Bernie Sanders, and Donald Trump.*

Eric, Mark, and Don spend the majority of the hour discussing the latest round of Syria peace talks and contrasting that to the situation on the ground where the Syrian Arab Army continues to make gains. They discuss the Kurds and their shifting allegiance to Moscow. Finally, Eric touches on the US attempts to undermine sovereignty in the Great Lakes region of Africa in order to re-establish its hegemony as Africa looks increasingly to China. Much much more as well in this weekly hour long conversation.

***Eric Draitser** is an independent geopolitical analyst based in New York City, he is the founder of [StopImperialism.org](#) and OP-ed columnist for RT, exclusively for the online magazine "[New Eastern Outlook](#)".*
