I was greeted this morning by a Tweet reminding me of the pure vitriol, contempt, and threats of reprisal for the "unvaccinated" those who made the wise choice of declining COVID-19 vaccination. Remember the novel vaccines were originally Pfizer, Moderna, and Janssen. All were genetic with no data on how long the genetic code would stay in the body, how long the lethal Spike protein would be produced, and with no assurances that the vaccine would protect against severe outcomes including hospitalization and death. The real victims of vaccine propaganda were those who rolled up their sleeves.

They did this on every single thing related to the Covid Deception, Illegally Censored the Truth, Isolated people to control their ability to hear the TRUTH from those of us that saw through it...they do this on the Wars and everything else...Go to School with this Clip, Think... pic.twitter.com/q0KlrtK53B

I responded with a perspective from clinical practice:

"Everyday without prejudice or malice I take care of vaccinated with neuropathy, blood clots, heart damage and help families cope with vaccine cardiac arrest. I don't blame them for their unhinged, hateful propaganda—they are the ones sick and dying not the unvaccinated."

At this time there are no apologies, no requests for forgiveness from media anchors. So many people around the world were victims of an effective PSYOP engineered by the [Bio-Pharmaceutical Complex](#) and facilitated by the group psychological phenomenon of [mass formation psychosis](#). If those spewing propaganda said they took the vaccines, we should believe them. If they are not telling us they are on their ninth shot by now, we should

assume they are declining any more injections in quiet, shameful regret.

In clinical practice we are seeing new blood clots and hearing about cardiac arrests two years after the initial series of mRNA vaccines in 2021. More disease will occur in the now silent, vaccinated. Each person who propagandized and was in the mass formation themselves, evidenced by their personal vaccine card, will have to reconcile the unwise health choice of getting injected with pseudo-uridinated synthetic genetic code, loading their bodies with long-lasting viral Spike protein engineered in a Chinese biosecurity lab.

I have not found a single vaccinated person who is declining [Base Spike Detoxification](#) with the combination of Nattokinase, Bromelain, and Curcumin.

-Proteolytic
-Anti-inflammatory
-Anticoagulant

Nattokinase 2000 FU bid

Curcumin 500 mg bid

McCullough, Peter A, Wynn, Cade, & Procter, Brian C. (2023). Clinical Rationale for SARS-CoV-2 Base Spike Protein Detoxification in Post COVID-19 and Vaccine Injury Syndromes, *Journal of American Physicians and Surgeons*, 28(3), 90–94. <https://doi.org/10.5281/zenodo.8286460>

- Nattokinase 2000 FU (100) mg orally twice a day without food
- Bromelain 500 mg orally once a day without food
- Curcumin 500 mg orally twice a day (nano, liposomal, or with piperine additive suggested)

Albeit, many patients out of my circles are likely seeing doctors and pondering together the source of mysterious nerve damage, strokes, heart disease, blood clots, and weird immunological problems. According to HHS and all major medical societies at this time, COVID-19 illness before or after vaccination is to blame for the new problems, not the the long-lasting vaccine pumping Spike protein into their tissues, organs, and bloodstreams.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”

Reviews

This is an in-depth resource of great interest if it is the wider perspective you are motivated to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized. —Dr. Mike Yeadon

In this war against humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky’s book is a rock upon which to sustain our fight. —Dr. Emanuel Garcia

In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless 24/7 fear campaign, was able to create a worldwide panic-laden “plandemic”; that this plandemic would never have been possible without the infamous DNA-modifying Polymerase Chain Reaction test - which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists. —Peter Koenig

Professor Chossudovsky exposes the truth that “there is no causal relationship between the virus and economic variables.” In other words, it was not COVID-19 but, rather, the

deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy. -David Skripac

A reading of Chossudovsky's book provides a comprehensive lesson in how there is a global coup d'état under way called "The Great Reset" that if not resisted and defeated by freedom loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it's too late. You will not find so much valuable information and analysis in one place. -Edward Curtin
