This is said by Zivadin Jovanovic in the (see below) interview just made in Belgrade by Vanessa Stojilkovic for www.michelcollon.info.

23rd of March, it will be ten years exactly, Nato (USA and Europe) started to bombard Yugoslavia. Some believe this was “the only good US war”.

But ten years later, in this region, the multinationals have privatized everything, some people got very rich, the vast majority much poorer. And the USA got a super military basis (Camp Bondsteel) in Kosovo. And their same CIA agents, experts in provocation of separatism, are now active in Bolivia et Venezuela. Among others.

1999 – 2009: Ten years after Nato bombardments against his country, Zivadin Jovanovic, last Foreign affairs minister of Yugoslavia, is interviewed in Belgrade by Vanessa Stojilkovic for www.michelcollon.info
