What is 5G? We need to know the dangers of this technology.

A full length documentary by Sacha Stone exposing the 5G existential threat to humanity in a way we never imagined possible!

Scientists, environmental groups, medical doctors and citizens around the world are appealing to all governments to halt telecommunications companies' deployment of 5G (fifth generation) wireless networks, which they call "an experiment on humanity and the environment that is defined as a crime under international law."
