Fifteen years after NATO's invasion and occupation of Afghanistan, the 9/11 and Al Qaeda lies that were used to justify the war have disappeared.

Now the truth about oil and gas, mineral wealth, opium and naked imperial ambition are all that remain.

The ambitions of Empire.

One Step Closer to military confrontation.

This is the GRTV Backgrounder on Global Research TV.

October 7th marks the 15 anniversary of the invasion and occupation of Afghanistan

Fifteen years of massacres, fifteen years of drone strikes and civilian massacres...

We were told that the invasion of Afghanistan was in response to the 9/11 attacks. A carefully constructed lie.
