Archbishop Viganò: Yes, thank you for giving me this opportunity to address you on this occasion.

And I share with you some matters regarding the present situation in the world and in the church.

For the past four years, we have been witnessing the implementation of a criminal plan of world depopulation, achieved through the creation of a false pandemic and imposition of her false vaccine, which you now know to be a biological weapon of mass destruction, designed

with the aim of destroying the immune system of the entire population, causing sterility and the onset of deadly diseases.

Many of our friends and acquaintances have died or been severely damaged by the adverse effects of these experimental gene serums.

Many have discovered too late that they have been the victims of a global plan with a single script and a single direction.

What is even more serious is that this new Malthusian project of mass extermination, to which is added the will to control each of us through graphene oxide nano structures, has been announced to us for some time by those in the World Health Organization and the World Economic Forum who conceived and implemented it.

The rulers of the western states, hostage to **Bill Gates and Klaus Schwab**, have become accomplices to this crime, demonstrating their malice and premeditation by their behaviour of falsifying data on alleged infection, doctoring statistical data to attribute death and adverse effects to covid-19 but not to the gene serums, prohibiting effective treatments and imposing harmful protocols that have no scientific basis, banning autopsies and preventing accurate reports to authorities.

In this attack, unprecedented in the history of the human race, we have witnessed the complicity of all national and International institutions, the entire medical profession, and the media.

A social engineering operation has been carried out to manipulate consensus through terror threats, blackmail, and the violation of citizens' most sacrosanct fundamental rights.

The Judiciary has been silent.

The armed forces have looked the other way.

The teachers and priests have zealously cooperated.

We are well aware of the perpetrators of this crime against God and Humanity.

Of course, the multinational pharmaceutical corporations have profited disproportionately from mass vaccination and they are now prepared to accumulate still more billions of dollars from the need for treatments against the turbo cancers that their serums have caused.

Those who peddle the vaccine and profited from administering this poison to pregnant women children and elderly, have funded the self-styled experts, paying them to propagandize false efficacy and safety through the mainstream media.

Multinationals have profited and due to the lockdowns they have taken the place of small businesses, restaurants and local shops.

Energy suppliers have profited and are still profiting out of the crisis created by the system.

They have made huge profits by the costs of electricity and gas that are forcing businesses to increase prices and close.

Those who took advantage of the restrictions to work from home, those who sold mask that

were not only useless but actually harmful, those who provided plexiglass barriers and hand sanitizers, and those who manage the measurement of fever in public places also took their cut of profit.

Many of them who understood perfectly well what was happening preferred to remain silent so as not to miss the opportunity to make money off the lives and health of the rest of us.

But it's not just money that is the motive for this crime.

Behind the motivation of many is the will to power of the subversive Davos elite, which aims to establish the New World Order.

The psycho pandemic has been a dress reaction for the attack they are now making against the economy, the social fabric and indeed the very life of humanity.

15-minute cities, digital identity, returning money and the destruction of agriculture and ranching all serve the same purpose stated in the agenda 2030 and the Rockefeller foundation's great reset project.

The wars in Ukraine and Palestine have also the same purpose, to destabilise the international order, create permanent crisis, and fuel conflict that will impoverish individual Nations and feed the globalist Leviathan.

Gaza's oil fields are tempting targets for those who want to appropriate them in order to keep Europe and United States under blackmail, especially when the same people are imposing insane energy policies in the name of a fake climate emergency.

Today the perpetrators of these crimes have a name and a face, their accomplices in governmental institutions are guilty of high treason and very serious crimes.

All come from the World Economic Forum and were students of his program called Young Global Leaders for Tomorrow.

Others like **George Soros** supported them by means of philanthropic foundations that fuel social strife, Civil War and colour revolutions around the world.

This Global coup d'état must be denounced and those responsible must be tried and judged by an international Court.

But above all it is necessary for all of us to understand that this all-out war against humanity is not motivated only by their lust for wealth and power but mainly by a religious motive, a theological reason.

This reason is Satan's hatred: hatred of God, hatred of God's creation and hatred of man who is created in the image and likeness of God.

Bill Gates, Klaus Schwab, George Soros and their hundreds of servants whom they blackmail in government all hate God, and they hate life, which only God can give.

They hate love which comes only from God.

They hate peace, which can reign only where Christ reigns.

As Tucker Carlson said a few days ago, we are facing people who serve Satan and the Demons of hell.

Just as the normal people worship and serve God.

This is a battle in which body and soul, matter and spirit, are made the objects of mortal attack by men and spiritual powers.

But let us not forget that if our enemy avails himself of the help of infernal Spirits we have on our side the Lord God of all armies arrayed, Dominus Deus about and all the hosts of angels and Saints infinitely more powerful.

God is Almighty.

Let us never forget that.

He is father. He does not abandon his children in time of crime.

And therefore, I exhort you dear friends to fight this battle with the spiritual weapons that God places at your disposal: prayer, trust in the Lord and the awareness that this enemy will not be defeated where it is most organized and fearsome but by striking it where it is weak.

This weakness comes from his corruption, from his being subservient to evil from the (toll) of all sins that it has committed and still commits: sins against God's little children.

Because the men and women who in these four years have submitted to enduring lockdowns, violation of their rights, job deprivation and social segregation are not willing to tolerate the crimes that this cursed network of perverts and paedophiles commits against children.

Therefore, bring to light and courageously denounce the network of complicity and crimes of politicians, bankers, actors, journalists, prelates and famous people who are united by their blood pact.

And the whole castle of lies and deceptions that they have hatched will collapse, dragging with it the entire Globalist plan, woke ideology, gender theory, the fake climate emergency and fraud and digital currency.

"Simul staben, simul caden" says the Latin maxim: "just as they stand together, so also they will collapse together".

Stay strong therefore under the banner of Christ and in the army of God, who is Almighty and who won the cross, has already won the world that is now entering in his final stages.

Gather around the Lord, call His holy name and this will give impetus to your battle.

Remember the words of Saint Paul: "I can do all things through him who strengthens me".

May God bless you all.

Charles Kovess: Thank you. Thank you, Your grace. That is that is most powerful important and thank you so much for sharing.

Stephen. Please say hello to the Archbishop and we got started because we had him at the

start.

Stephen Frost: So Archbishop Vigano I'm so grateful to you for actually seeing my email. I thought you hadn't seen it. But you had and thank you for coming on and standing with us and speaking to us today. That's so nice of you.

Archbishop Vigano: Thank you. I will, just had that but I mentioned that several times in my intervention that also the church and in particular the Holy See had been infiltrated in this battle from the side of Satan.

This is the situation for that we need now to to for ourselves this and use this weapon spiritual weapons that I mentioned in my address. May God bless you.

Stephen Frost: Thank you.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”

Reviews

This is an in-depth resource of great interest if it is the wider perspective you are motivated to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized. —Dr. Mike Yeadon

In this war against humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky's book is a rock upon which to sustain our fight. -Dr. Emanuel Garcia

In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless 24/7 fear campaign, was able to create a worldwide panic-laden "plandemic"; that this plandemic would never have been possible without the infamous DNA-modifying Polymerase Chain Reaction test - which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists. —Peter Koenig

Professor Chossudovsky exposes the truth that "there is no causal relationship between the virus and economic variables." In other words, it was not COVID-19 but, rather, the deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy. -David Skripac

A reading of Chossudovsky's book provides a comprehensive lesson in how there is a global coup d'état under way called "The Great Reset" that if not resisted and defeated by freedom loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it's too late. You will not find so much valuable information and analysis in one place. -Edward Curtin
