

Video: Are We Being Told the Truth About COVID-19?

By [Dr. Sucharit Bhakdi](#)

Global Research, November 17, 2020

[Triggernometry](#) 11 November 2020

Theme: [Media Disinformation](#), [Police State & Civil Rights](#), [Science and Medicine](#)

Professor Bhakdi is a Thai-German specialist in microbiology and co-author of Corona, False Alarm?: Facts and Figures.

According to Prof. Bhakdi, "this virus is no more deadly than a seasonal flu and for people under 70, it is even less deadly than the seasonal flu.

If you are under 70, your chances of dying with this virus are less than 0.1 percent. In fact, there are about 0.05 percent."
