In-depth Report: [PALESTINE](#)

UN Security Council has condemned the deadly raid of an international flotilla taking aid to Gaza. At least 9 pro-Palestinian activists were killed and dozens injured when Israeli troops stormed aid ship. Meanwhile, Israel says the IDF commandos acted in self-defense when they boarded a Gaza Freedom flotilla. Israeli military officials said the soldiers were carrying paint-ball guns and had orders to use their pistols only to defend themselves.
