*In another incredible moment of stupidity Wednesday, **Joe Biden** deviated from his teleprompter and joked that he might start a third world war.*

Biden was speaking at the national conference of North America’s Building Trades Unions, the AFL-CIO group for workers in the construction industry, when he made the idiotic remark.

Biden began talking about the Ukraine conflict, saying

“This war could continue for a long time, but the United States will continue to stand with Ukraine, the Ukrainian people and their fight for freedom.”

Then he addressed the unionists in the room and said,

“And by the way, if I gotta go to war, I’m going with you guys – I mean it.”

This latest face palm moment comes after weeks of [continued stupid comments](#) about sending U.S. troops to Ukraine, training Ukrainian troops, calling Putin a war criminal, expressing support for an international war criminal trial and advocating regime change in Russia.

The venue where war criminals are tried is the International Criminal Court in the Hague, which the US has steadfastly refused to join out of fear of having its own officials tried and held accountable there. That's why so many of them are on Twitter and in cable Green Rooms. <https://t.co/cXMIzrvRyx>

In addition to the stupid joke about nuclear armageddon at the appearance Wednesday, Biden reeled off a series of outright lies again.

Earlier in the week he declared that he [used to be an 18 wheeler truck driver](#), but now he used to be a practicing professor at the University of Pennsylvania:

Obviously, that claim [is total horse shit](#).

That wasn't where the lies ended for the day.

BIDEN: "Every time that price of the gas went up at the pump, guess what? It was a conversation at our kitchen table."

He's LYING. Gas prices were completely FLAT during Biden's childhood. <pic.twitter.com/GjKZLw4PPE>

Whenever Biden is talking about something that he knows isn't true or is just dumb, he caveats it with the phrase 'this is not a joke':

BIDEN: "I'm so sick and tired. I was raised by a dad. Not a joke." <pic.twitter.com/ntgGnV9qtc>

BIDEN: "To try to unify the country, that's been the hardest thing so far. Not a joke...You ultimately have to unify, as angry as I sometimes get." <pic.twitter.com/FrwESyldVw>

During the speech he also did that bizarre creepy whispering thing while threatening to

force American companies to unionise:
