This might be the biggest story of corruption and cover-up in recent years.

And I'm going to show you why everything he said in his speech is accurate.

As you just heard the man, **Bill Gates** has been indicted in a vaccine-related case in the Netherlands and now faces trial.

Now just like most of you guys, I was surprised by this because I haven't heard anything about this case.

According to this news story a Dutch court has ordered that Bill Gates will face trial in the Netherlands over his involvement in misleading the public about the safety of vaccines.

The plaintiffs filed the lawsuit last year, naming Gates, along with former Dutch Prime Minister and current NATO Secretary General **Mark Rutte**, members of the Dutch government's Outbreak Management Team, Pfizer CEO **Albert Bourla**, and the Dutch state itself.

The plaintiffs argue that Gates, through his involvement with the Bill & Melinda Gates Foundation and the World Economic Forum (WEF), was involved in a far-reaching agenda—referred to as “The Great Reset Project”—. And it sought to exploit the global crisis in order to implement sweeping societal changes, all under the guise of combating the pandemic.

Now sadly according to these articles one of the seven individuals, whose identities have been redacted in public documents, has since died after receiving the vaccine.

And in their last hearing, one of the plaintiffs was represented by her father because she could no longer speak. The father explained that his daughter had been healthy prior to receiving the vaccine but became sick afterward and lost her ability to speak. He expressed his desire to “speak to Bill Gates directly” about his daughter's condition.

Now of course Bill Gates isn't going to talk to some poor man whose daughter is extremely sick. **So he just hired the largest litigation firm in the Netherlands and argued that the Dutch court had no jurisdiction over him because he lives in the United States.**

However, the court refuted this claim and ruled that it does have jurisdiction over Gates. The court made this ruling because it found “sufficient evidence” that the claims against

Gates and the other defendants are “connected” and based on the same “complex of facts.”

Now the reason why this indictment is a huge problem for Bill Gates is because it set a precedence. It tells other people living in Europe that they can also sue him if they were hurt by the vaccine. So I won't be shocked if he has to face legal proceedings in other parts of the world as well. And while all of this is happening, for some reason a man who has been bipartisan for 2 decades suddenly decides to throw 50 million dollars behind Kamala Harris only days after his indictment.

Now even though Reps for the Bill & Melinda Gates Foundation charity declined to comment. Citing anonymous sources, the Times reported that the charitable foundation “is significantly concerned about potential cuts to family planning and global health programs if Mr. Trump is elected.” Well, they should be concerned because Trump and many of his supporters like RFK Jr, have been waging a war against the billionaire's alleged tactics for years.

So by giving so much money to Kamala, Bill Gates is basically trying to make sure that he will have a president who'll support him even if things get rough.

And while this indictment might be the last straw, I think Bill Gates has another reason to stop Trump from winning the election. We all know about his history with Epstein and how the two of them were pretty close. Of course later on he said that he feels bad about ever hanging out with that monster.

However, feeling bad about your actions doesn't mean he isn't guilty. Of course, thanks to some mind-boggling legal reasons the names of Epstein's partners haven't been released to the public but according to **Elon Musk** that might change pretty soon.

If the Tesla founder is telling the truth, this is bad news for so many people including multiple billionaires who were doing all those vile and disgusting things on Epstein Island. So of course it makes sense for them to support Kamala and it looks like Bill Gates has now bought a seat in that life raft by paying 50 million dollars.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”

Reviews

This is an in-depth resource of great interest if it is the wider perspective you are motivated to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized. —Dr. Mike Yeadon

In this war against humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky’s book is a rock upon which to sustain our fight. —Dr. Emanuel Garcia

In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless 24/7 fear campaign, was able to create a worldwide panic-laden “plandemic”; that this plandemic would never have been possible without the infamous DNA-modifying Polymerase Chain Reaction test - which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists. —Peter Koenig

Professor Chossudovsky exposes the truth that “there is no causal relationship between the virus and economic variables.” In other words, it was not COVID-19 but, rather, the deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy. —David Skripac

A reading of Chossudovsky’s book provides a comprehensive lesson in how there is a global coup d’état under way called “The Great Reset” that if not resisted and defeated by freedom

loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it's too late. You will not find so much valuable information and analysis in one place. -Edward Curtin
