Video Caroline Mailloux interviews Prof. Michel Chossudovsky

*Destabilizing the social, political and economic structure of 190 sovereign countries cannot constitute a “solution” to combating the virus. But that was **the imposed “solution” which was implemented in several stages from the very outset of the corona crisis** in January 2020. It’s the destruction of people’s lives. It is the destabilization of civil society.*

*Fake science was supportive of this devastating agenda. The lies were sustained by a massive media disinformation campaign. 24/7, Incessant and Repetitive **“Covid alerts”** in the course of the last two years.*

*The historic March 11, 2020 lockdown triggered economic and social chaos Worldwide. It was an act of “economic warfare”: **a war against humanity.***

This diabolical agenda has undermined the sovereignty of nation states. It has contributed to a wave of bankruptcies. It has impoverished people Worldwide.

It has led to a spiralling dollar denominated global debt.

In turn it has led to the Covid Vaccine which was launched in December 2020, which has been conducive to an upper trend in vaccine related mortality.

The powerful structures of global capitalism, Big Money coupled with its intelligence and military apparatus are the driving force.

Using advanced digital and communications technologies, the lockdown and “closure” of the global economy is unprecedented in World history.
