In a recent freedom rally held in Alberta, Canada, top Canadian pathologist and virologist Dr. Roger Hodkinson explained why the COVID-19 vaccination program being brutally forced on nations is counterproductive, harmful, and doomed to fail:

"We can't vaccinate ourselves out of this mess....The RNA virus constantly mutates. You can never get ahead of an RNA virus [like SARS-CoV-2]. It's a fool's game. Not only that, it's dogma in those that specialize in vaccinology—it's absolute dogma: You never, ever, ever start a mass vaccination program right in the middle of a pandemic. You NEVER EVER do that. And the reason you don't do that is because the vaccine will escape control. It will encourage the emergence of scariants [variants hyped by the fear-mongering media]...which of course is another 'reason' to get vaccinated with a booster jab, and a booster jab, and a booster jab. **How long is this going to go on? Are they insane?"**

In his important, stirring speech, Dr. Hodkinson declares: "The whole thing is an absolute fraud. You've been suckered in by a whole bunch of lies. Believe nothing you've been told. It's all a pack of lies, pure propaganda from start to finish."

He lays bare the fraudulent PCR test, the junk data concocted to justify a fake pandemic, the useless lockdowns, the dangerous "vaccines" and the media's propaganda campaign to spread groundless fear.

A voice of sanity, Dr. Hodkinson calls the vaccination of children with the COVID-19 shots "abhorrent...criminal...utterly insane...a child sacrifice for no benefit whatsoever". He condemns the injection of pregnant women, which has led to countless miscarriages and

stillbirths. He also discusses how the vaxxed are shedding spike proteins, endangering the unvaccinated who happen to be in close proximity to the vaxxed, as well as the COVID-19 vaccines' alarming potential to drastically raise the odds of developing cancer.

According to Dr. Hodkinson, "Gain-of-function research is one of the most existential threats to humanity.... Gain-of-function research should be prohibited internationally."

Dr. Anthony Fauci, head of the U.S. National Institute of Allergy and Infectious Diseases, used millions of taxpayers' dollars to fund gain-of-function research in China designed to make coronaviruses more infectious and more lethal. "Gain-of-function research" is basically a euphemism for bioweapons research—and Fauci collaborated with an enemy of the United States for years, which in all probability led to the creation of SARS-CoV-2.

Robert F. Kennedy Jr., in his new book "The Real Anthony Fauci" divulges how Fauci "partnered with the Pentagon and intelligence agencies in gain-of-function experiments to breed pandemic superbugs in poorly regulated labs in Wuhan, China and elsewhere, under conditions that virtually guaranteed the escape of weaponized microbes like SARS-CoV-2."

Other researchers believe the COVID-19 lab-engineered bioweapon was released deliberately, either by U.S. operatives, Chinese agents, or both sides.

Hodkinson ends his speech with an urgent message: "This is the time to stand up and be counted. To show governments that you cannot be bossed around by idiots."
