This video was originally published in June 2020.

*You may have heard of it: Event201 – a pandemic exercise staged by Bill Gates, John Hopkins University and the World Bank in autumn 2019, which rehearsed exactly for the pandemic we are alleged to be COVID-19.*

*But who were the people involved?*

*Why were banks, PR experts, hotel and logistics companies present but no doctors?*

*Why do these people have the power to make global plans and make international decisions?*

*Because not a single one of them was democratically elected .*

*In this video, we take a close look at Event201 like no one has done before, depicting the entanglements of those involved and, above all, the many hair-raising, “prophetic” statements that they made in autumn 2019, and which have since followed each other.*

*Vielleicht haben Sie schon davon gehört: Event201 – eine von Bill Gates, John Hopkins Universität und Weltbank inszenierten Pandemieübung aus dem Herbst 2019. Dabei wurde genau für den Pandemiefall geprobt, den wir mit COVID-19 angeblich haben.*

Doch wer waren die beteiligten Personen? Warum waren Banken, PR-Experten, Hotel- und Logistikunternehmen anwesend, aber keine Ärzte? Warum haben diese Leute die Macht, globale Pläne zu schmieden und internationale Entscheidungen zu treffen? Denn demokratisch gewählt wurde kein Einziger von ihnen..

Wir sehen uns das Event201 ganz genau an, wie es keiner zuvor tat, stellen die Verwicklungen der Beteiligten dar und vor allem die vielen haarsträubenden, «prophetischen» Aussagen, die sie im Herbst 2019 trafen, und die mittlerweile nacheinander zur düsteren Realität werden.

Important video: English subtitles
