The WHO Pandemic Treaty scheduled for May 2024 must be the object of a Worldwide mass movement against the Globalists Power Grab

The unspoken truth is that a non-existent pandemic has provided a pretext and a justification to powerful financial interests and corrupt politicians to precipitate the entire planet into a spiral of mass unemployment, bankruptcy, extreme poverty and despair.

Destabilizing the social, political and economic structure of 190 sovereign countries cannot constitute a "solution" to combating a novel coronavirus which mysteriously emerged in Wuhan, Hubei province (PRC) in late December 2019.

That was the imposed "solution" —implemented in several stages from the very outset:

-The March 2020 Lockdown, applied Worldwide which has triggered economic and social chaos.

-The December 2020 Rollout of the Covid 19 "Vaccine" which has resulted in an upward trend in excess mortality.

-The Global Debt Crisis which is currently unfolding.

-The WHO Pandemic Treaty, May 2024

It's the destruction of people's lives Worldwide. It is the destabilization of civil society.

We are at the crossroads of the most serious economic and social crisis in world history.

It's a war against humanity.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”

Reviews

This is an in-depth resource of great interest if it is the wider perspective you are motivated to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized. —Dr. Mike Yeadon

In this war against humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky’s book is a rock upon which to sustain our fight. —Dr. Emanuel Garcia

In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless 24/7 fear campaign, was able to create a worldwide panic-laden “plandemic”; that this plandemic would never have been possible without the infamous DNA-modifying Polymerase Chain Reaction test - which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists. —Peter Koenig

Professor Chossudovsky exposes the truth that “there is no causal relationship between the

virus and economic variables.” In other words, it was not COVID-19 but, rather, the deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy. -David Skripac

A reading of Chossudovsky’s book provides a comprehensive lesson in how there is a global coup d’état under way called “The Great Reset” that if not resisted and defeated by freedom loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it’s too late. You will not find so much valuable information and analysis in one place. -Edward Curtin
