*This interview with the Funeral Director, **John O’Looney** is a wake up call!*

What he has witnessed since 2019 to present needs to be shared ... all the deaths he is currently seeing have resulted from the ‘vaccine’ – the **experimental unapproved gene therapy**.

He tells it like it is ... no government agency or politician, health authority or or media can cover up or **fudge the TRUTH** he is dealing with as a Funeral Director.
