In story first reported by the U.K.'s Jim Ferguson, hacked data from the Dutch government shows that the E.U. Globalists went after the children and afterwards hundreds of vaccine injuries were reported all across the Netherlands and the EU.

Why didn't we hear about it?

Turns out they hid the information and then covered-up the data from the public and then more people were injured.

Dutch Freedom Fighters and Truth Seekers, former Dutch Parliamentarian and business entrepreneur Wybren van Haga, Businessman and Data expert Wouter Aukema and Anne Merel Kloosterman who is representing many vaccine injured join [Redacted](#) to share this story.
