

Video: Cheers, “Talking to a Janitor Working at a Biology Lab Making Mutant Viruses”

A satire

By [Global Research News](#)

Global Research, October 02, 2020

How would you react upon knowing that Chuck, whom you have sat and engaged with, is a janitor at a bio lab making mutant viruses?

This is a satire in The Cheers 1980s TV Series which bears a canny resemblance to today's realities in response to COVID-19.

Let us laugh, relax and reflect,... Don't depress...
