Henry Kissinger has a International Arrest Warrant and a attempt is made to enforce it in Four Seasons Hotel Dublin Ireland where Henry Kissinger was staying 8th May 2010.

The annual Tri Lateral conference headed up and attended by David Rockefeller was held in the Four Seasons Hotel Dublin Ireland 7th and 8th May .

This secretive group are the forerunner group to prepare the way for the major also secretive Bilderberg meeting in Barcelona Spain June 2010.

The meeting mainly arranged the take over of the world to form the New World Order one world government .

It seems it arranged the sudden huge 2 trillion bail out for the Euro as part of the plan to destroy Europe's ability to resist the NWO .

They also descussed according to TUCKER a NWO reporter with the Russians if they would allow the war to be waged with Iran .

It seems that Henry Kissinger as Rockefeller's right hand man had to be at the meeting even though there existed a International arrest warrant from France and Spain who wish to charge him with war crimes from the Chile war.

The Spanish and French say Henry Kissinger is implicated in the death of French and Spanish in the war in Chile .

A delegation of Irish and some other nationals presented the Irish Police force called the Garda to arrest Henry Kissinger who was resident in the hotel on foot of the warrant .

Later the Police Garda forces lame excuse is they admitted that as they processed the arrest warrant they were blocked due to the fact the Irish Government department of foreign affairs were required to process the arrest warrant and that office is closed on weekends .

International Criminals have free reign on weekends in Ireland .

Therefore Henry Kissinger escaped Sunday morning at 11am probably with a police escort to the airport

The special Branch the political police of the Irish state followed some of this group of protesters to a pub and later that night harassed them for the cameras they had .

No cameras or film was lost but it shows that the Irish government conspired to protect this Henry Kissinger from arrest breaking all EU laws of extradition .

The good news is that the protest group were able to use loud speakers to project shows like Alex Jones infowars.com and Mike Rivero whatrealyhappened.com into the hotel nearby thereby letting the NWO know the world including Ireland has woken up to the NWO deception in getting the one world government implemented .

Lucky for the Irish they are not totaly deopendent on the Irish media or mainstream international medai notable by thier absence

The alternative media from the Internet was able to notify the Irish patriots the peril that the Irish Republic is in

The opening speech from Mr Cowen Taoiseach (head of the government equavalent to Prime minister)and the the Irish President attending a dinner where Henry kissinger was attending shows the Irish governemnt are traitors to the core.

This meeting was a extra nail in the coffin to remove Irish sovereignty and remove sovereignty for all nations in Europe.

We assume that German,French ,Spain and other heads of states who also commit this type of traitorous act had suitable people representing thier interests in these traitorous act to remove all sovereignty for European nations.
