Region: Middle East & North Africa
Theme: Militarization and WMD
In-depth Report: PALESTINE

Documents uncovered by an American academic reportedly contain the first official evidence that Israel has nuclear weapons. Britains Guardian newspaper published the declassified papers showing that back in the seventies Tel Aviv offered to sell atomic warheads to the apartheid regime in South Africa. The man who revealed the documents, Sasha Polakow-Suransky, told RT he'll challenge anyone in the Israeli administration who refutes his findings.
