Joe Biden was not duly elected, he was selected. He is a groomed and "reliable" politician. He is a political instrument of the global capitalist establishment.

The January 6, 2021 was not a Coup d'Etat as claimed by the mainstream media, it was a protest movement.

Some analysts contend that it was a False Flag. The photographic evidence presented below confirms that the demonstrators were allowed into the Capitol by the police and security guards.

According to Dr. Paul Craig Roberts

"The Democrat & Republican Establishment, CBS, NBC, CNN, NPR, NYTimes, Washington Post, have committed the equivalent of the Reichstag Fire used by Hitler to seize total power. The Democrats, Republicans, Media, Security agencies all intend the total and complete overthrow of the American people.

Tucker Carlson is the ONLY voice for truth in the entirety of the legacy media."

Global Research has compiled several videos which confirm unequivocally that the Police facilitated the entry of demonstrators into the Capitol.

Over the last few days there were efforts to tag this clip as inconclusive. However, slow-down and zoom-in show clearly that policeman DID open the barrier without being attacked. pic.twitter.com/xhhFJu7QVP
