Don't miss this historic debate between Children's Health Defense Chairman Robert F. Kennedy, Jr. and Harvard Law Professor Alan Dershowitz.

With the current COVID crisis dominating headlines at national and local levels, the topic of vaccines is now front and center.

The two attorneys debate a range of issues including vaccine mandates, the PREP Act, the lack of vaccine safety studies, Jacobson vs. Massachusetts, and HHS's failure to act on provisions of the National Childhood Vaccine Injury Act. Are compulsory vaccines even legal? Should any government be able to force medical procedures on families?

An insightful discussion that no one contemplating vaccine safety should miss.
