*“Filmmaker Paul Cross was doing post-production work in Washington DC when he heard about the “terrorist” attack. He visited the crash-site just five hours after impact and could plainly see the official story was a lie.*

*“There was no passenger jet wreckage; the lawn wasn’t scorched; lamp posts, fences and construction materials in the path of the jet were untouched.” Cross told me. “If this was a hoax, then the attack on the World Trade Centre was also a hoax.” “ (courtesy H. Makow)*
