

## Video: Silver Bullet. “They Want One World Government”. Dr. Mike Yeadon

Both precision aiming and random firing in all directions are hoped for.

*Stumbling fashionably late on stage, with that genuine independent rock ‘n’ roll attitude that Tavistock could never tame, Silver Bullet arrives.*

*This text is not particularly friendly to the uninitiated so may not be the best way of sharing.*

This Address was prepared for the Northern Ireland parliament but represents a clear summing-up, without bells and whistles, of a few central points which, if widely understood, would severely hamper the ability of those with control issues from succeeding in their ‘unification’ plans.

So much information we are bombarded with. So much unwitting consuming of Tier 2 propaganda by so many who genuinely seek the truth and the best for their children.

So many ‘leading voices’ pushing – for what ever reason – central myths that the Scorpions rely on.

So please, fire this painful to hear but ultimately kind address everywhere.

We all know how firmly many ears are clamped shut. Is it worth risking discord to speak out one more time?

*“I know you may not fancy watching this, but a lot of us feel it’s an incredibly positive step towards protecting our children...”*

*I really think if you watched it you would be glad you did, though a little shocked...”*

*“Have you seen Silver Bullet?”*

Let’s do this people. Let’s make sure it spreads far and wide.

Some will say the production could have been slicker. Some will say this is a slick PR job made to look Lo Fi. ☐

All the matters is the words.

Versions in many languages will follow. Please excuse a collection of emails today if you are subscribed. We also have a gentleman making a sign language version.

Not everything is in this video – but enough key things are.

The AT-AT in Star Wars was a fearsome enemy – until it became clear that its long legs were ripe for lassoing.

This push to own everything relies on utter preposterous demonstrable lies. The Climate Hoax and Disease Hoaxes are stupidly at odds with the evidence.

[Here is an article](#) on the financial aspect. Mike has often stressed the CBDC / Digital ID trap and The Great Taking.

But the control will be justified by Health and Safety.

And it's all based on lies.
