The unspoken truth is that the novel coronavirus provides a pretext to powerful financial interests and corrupt politicians to trigger the entire World into a spiral of mass unemployment, bankruptcy, extreme poverty and despair.

Michel Chossudovsky interviews Economist and Geopolitical analyst **Peter Koenig** on the Global Research Report.

“Imagine, you are living in a world that you are told is a democracy – and you may even believe it – but in fact your life and fate is in the hands of a few ultra-rich, ultra-powerful and ultra-inhuman oligarchs. They may be called Deep State, or simply the Beast, or anything else obscure or untraceable – it doesn’t matter. They are less than the 0.0001%.” (Peter Koenig, July 2020)
