*In December 2021, we were told by our governments to prepare for **Christmas under Lockdown**.*

*To protect you and your loved ones against the so-called deadly **Covid Omicron Variant**.*

*The announcement regarding Omicron was made on **Black Friday November 2021**, the day after Thanksgiving.*

***Anthony Fauci** led the disinformation campaign, intimating that Omicron “is already in the United States but has yet to be detected”*

The alleged spread of Omicron during the 2021 Christmas holiday period was used as a pretext and a justification for implementing partial lockdowns, restrictions on travel as well as confinement and stay at home mandates during the Christmas holiday.

And now imagine, John Lennon’s song:

“Imagine there’s no heaven
It’s easy if you try
No hell below us
Above us, only sky

Imagine all the people
Livin’ for today

Imagine there’s no countries
It isn’t hard to do
Nothing to kill or die for
And no religion, too

Imagine all the people
Livin' life in peace

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man

Imagine all the people
Sharing all the world

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one
