This is the greatest public health fiasco in the history of the world, and the media has distorted it so badly, that much of the general public is celebrating villains and hissing at heroes. And, even — perversely enough — celebrating the destruction of their own lives and their children's lives.

According to **Thomas E. Woods, Jr.**, “Cult seems to describe what we are dealing with. Outside the cult are sub-human and selfish, to be shamed and ridiculed.

They have slogans “Listen to the science”.

Maybe that slogan is meant to be funny because these are the least scientific people I have ever encountered in my life.”
