Destabilizing the social, political and economic structure of 190 sovereign countries cannot constitute a "solution" to combating the virus. But that was the imposed "solution" which was implemented in several stages from the very outset of the corona crisis in January 2020. It's the destruction of people's lives. It is the destabilization of civil society.

Fake science was supportive of this devastating agenda. The lies were sustained by a massive media disinformation campaign. 24/7, Incessant and Repetitive "Covid alerts" in the course of the last two years.

The historic March 11, 2020 lockdown triggered economic and social chaos Worldwide. It was an act of "economic warfare": a war against humanity.

This diabolical agenda has undermined the sovereignty of nation states. It has contributed to a wave of bankruptcies. It has impoverished people Worldwide. It has led to a spiralling dollar denominated global debt.

The March 11, 2020 Lockdown applied simultaneously in 190 countries has resulted in: "The confinement of the labor force" coupled with "The paralysis of the workplace". The predictable impact: The most serious economic crisis in world history.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”

Reviews

This is an in-depth resource of great interest if it is the wider perspective you are motivated to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized. —Dr. Mike Yeadon

In this war against humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky’s book is a rock upon which to sustain our fight. -Dr. Emanuel Garcia

In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless 24/7 fear campaign, was able to create a worldwide panic-laden “plandemic”; that

this plandemic would never have been possible without the infamous DNA-modifying Polymerase Chain Reaction test - which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists.
—Peter Koenig

Professor Chossudovsky exposes the truth that “there is no causal relationship between the virus and economic variables.” In other words, it was not COVID-19 but, rather, the deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy. -David Skripac

A reading of Chossudovsky’s book provides a comprehensive lesson in how there is a global coup d’état under way called “The Great Reset” that if not resisted and defeated by freedom loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it’s too late. You will not find so much valuable information and analysis in one place. -Edward Curtin
