Remember when Dr. Ronny Jackson announced that Donald Trump doesn't have cognitive issues [because he passed a 10-minute test](#)? Well, we beg to differ after hearing the former reality show star's speech in the Rose Garden that was streamed live to the March for Life crowd on the National Mall. Trump was pro-choice before running for office, by the way.

After bashing Roe vs. Wade, Trump came out in full opposition to women giving birth in the ninth month of pregnancy.

“Right now in a number of states, the laws allow a baby to be born from his or her mother's womb in the ninth month. It is wrong,” Trump said. “It has to change.”

The Internet reacted in disbelief.

What the hell is this? And the heads behind him nodding in agreement. ‘Babies born in the ninth month are an abomination!’

Well hell, I had one AFTER the ninth month...am I in trouble??

I mean, I had a baby in the 7th month. I don't recommend it, but if you're breaking the law by having a full term baby....

"My God... we're outlawing natural birth!"

Tears are rolling down my face I am laughing so hard. This. Is. Priceless

Thanks for your input, President Crazy Pants. Now, if he's talking about an abortion procedure during the ninth month, there's no such thing, so either way, he's insane and so are the people behind him nodding their heads in agreement.
